REQUEST FOR CONTINUED EXAMINATION
AND
STATEMENT OF UNINTENTIONAL DELAY

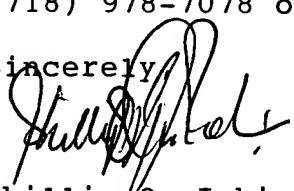

The examiner's action dated September 24, 2001 of a notice of abandonment due to late response in placing application for allowance in three months was unintentional. The response was filed shortly before the due date of 07/16/01, leaving no time for the examiner to review response and subsequent attempt to remove noted deficiencies.

Enclosed are supporting documents, fee, and noted forms of request for continued examination for unintentional delay under 37 CFR 1.137(e)(m)

A miscellaneous patent fee under 37 CFR 1.17(e) and a petition fee under 37 CFR 1.17(m) are being paid separately by money order and enclosed herein.

Your prompt review and approval would be appreciated in this matter. For additional information, I may be reached at (718) 978-7078 or (917) 972-8146.

Sincerely,

Phillip O. Igbinadolor

13. Applicant should note that there is no art rejection because of the numerous rejections and objections to the disclosure and claims.

14. **Prosecution of this application has been closed.**

Applicant was given a Final Rejection on 01/16/2001. Applicant had a three month time period to respond without any fee. Applicant completed the response to the FINAL REJECTION at the end of the 6 month time period (7/16/2001) which did not allow the applicant additional time to respond to any Advisory Action issued by the examiner. An advisory Action is issued to any applicant's response to a Final Rejection that does not place the application in condition for allowance. Applicant's response was not in condition for allowance (i.e. not ready to be issued as a patent) at the end of the required time period and subsequently a Notice of Abandonment was issued.

Applicant should note the following MPEP sections

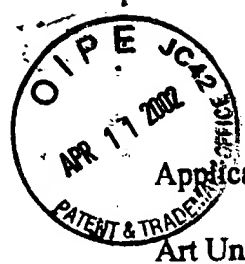

- a) Final Rejection MPEP 706.07 (a).
- b) Advisory actions MPEP 706.07 (f)
- c) Time period for reply MPEP 710
- d) Notice of abandonment MPEP 711.
